#### § 460.106

- (e) Changes to plan of care. Team members who conduct a reassessment must meet the following requirements:
- (1) Reevaluate the participant's plan of care.
- (2) Discuss any changes in the plan with the interdisciplinary team.
- (3) Obtain approval of the revised plan from the interdisciplinary team and the participant (or designated representative).
- (4) Furnish any services included in the revised plan of care as a result of a reassessment to the participant as expeditiously as the participant's health condition requires.
- (f) Documentation. Interdisciplinary team members must document all assessment and reassessment information in the participant's medical record.

[64 FR 66279, Nov. 24, 1999, as amended at 71 FR 71336, Dec. 8, 2006]

## § 460.106 Plan of care.

- (a) Basic requirement. The interdisciplinary team must promptly develop a comprehensive plan of care for each participant.
- (b) Content of plan of care. The plan of care must meet the following requirements:
- (1) Specify the care needed to meet the participant's medical, physical, emotional, and social needs, as identified in the initial comprehensive assessment.
- (2) Identify measurable outcomes to be achieved.
- (c) Implementation of the plan of care. (1) The team must implement, coordinate, and monitor the plan of care whether the services are furnished by PACE employees or contractors.
- (2) The team must continuously monitor the participant's health and psychosocial status, as well as the effectiveness of the plan of care, through the provision of services, informal observation, input from participants or caregivers, and communications among members of the interdisciplinary team and other providers.
- (d) Evaluation of plan of care. On at least a semi-annual basis, the interdisciplinary team must reevaluate the plan of care, including defined outcomes, and make changes as necessary.

- (e) Participant and caregiver involvement in plan of care. The team must develop, review, and reevaluate the plan of care in collaboration with the participant or caregiver, or both, to ensure that there is agreement with the plan of care and that the participant's concerns are addressed.
- (f) Documentation. The team must document the plan of care, and any changes made to it, in the participant's medical record.

#### Subpart G—Participant Rights

### §460.110 Bill of rights.

- (a) Written bill of rights. A PACE organization must have a written participant bill of rights designed to protect and promote the rights of each participant. Those rights include, at a minimum, the ones specified in § 460.112.
- (b) Explanation of rights. The organization must inform a participant upon enrollment, in writing, of his or her rights and responsibilities, and all rules and regulations governing participation.
- (c) Protection of rights. The organization must protect and provide for the exercise of the participant's rights.

# § 460.112 Specific rights to which a participant is entitled.

- (a) Respect and nondiscrimination. Each participant has the right to considerate, respectful care from all PACE employees and contractors at all times and under all circumstances. Each participant has the right not to be discriminated against in the delivery of required PACE services based on race, ethnicity, national origin, religion, sex, age, sexual orientation, mental or physical disability, or source of payment. Specifically, each participant has the right to the following:
- (1) To receive comprehensive health care in a safe and clean environment and in an accessible manner.
- (2) To be treated with dignity and respect, be afforded privacy and confidentiality in all aspects of care, and be provided humane care.
- (3) Not to be required to perform services for the PACE organization.
- (4) To have reasonable access to a telephone.
